June 2014 Newsletter

The entire GCAT Board would like to extend their appreciation to everyone who attended the 2014 GCAT Conference in Montgomery, Texas! We had such a great time seeing everyone again and meeting the new faces of GCAT! From vital information and updates, to motivational speakers, and wonderful sponsored events from our vendors – this year's conference was a huge success!!!

We have looked over all the questionnaires and have put your requests into high consideration for 2015 Annual Conference. The locations we are highly considering are Austin, Kerrville, Frisco, and Dallas. We are still waiting on bids from other locations, but for right now these are the locations that are being considered. We are always open to suggestions from you on locations, topics, and speakers so please don't hesitate to call or emailing us!
